PROOEMIUM.

Etsi verissima est Pauli sententia, *Legem non esse positam iustis, sed Legis contemptoribus, & qui subijci nesciunt: tamen cum in omnibus hominibus, præsertim in ætate juvenili, magna sit infirmitas, magna incitia & ignorantia, ut sæpè boni etiam, vel judicii quâdam immaturitate, vel legum ignorance, vel aliorum exemplis & persuasionibus in fraudem inducantur; prodest sanè, iis quoque certas Legum formas proponi, secundum quas, ceu vivendi certas regulas & normas, peccata devitare, vitamq; & omnes actiones suas rectè informare discant.* Hoc consilio, licet & in hoc nostro Coetu multos bonos & moratos esse non dubitemus, qui vel sine monitore sponte facturi sint officium; nos etiam hæc Leges nostras, universis & singulis nunc proponimus, quarum ductu & auspiciis omnia sua studia, mores, & vitæ instituta gubernent & componant. Quare omnes Gymnasii nostri Auditores & Discipulos hortamur, ut his debitam & spontaneam præstent obedientiam, ac memores sint dicti Apostolici: *Neceffe est obedire, non solum propter iram, sed etiam propter conscientiam.*

LEX I. DE PIETATE.

PRæclarè inquit Psaltes: *Principium Sapientiae, timor Jehovæ; & Intellectus bonus facientibus præcepta ejus.* Ut igitur felicia sint Doctrinarum Studia, à Pietate omnia erunt inchoanda. Manè itaq; , cùm primùm cubitu surrexeris , à piis votis & lectione Sacrà operarum initium facito ; vesperi iisdem claudito. Ab execrationibus, jurandi futilitate, perjuriis, magiâ, superstitionibus omni tempore abstineto. Concionibus Sacris & Liturgiis Ecclesiasticis frequens interesto. Precibus publicis, Biblicæq; lectioni, & sacris Cantionibus in Auditorio ordinario, tam manè, quàm vesperi, quicumq; in Gymnasii Dormitoriis habitas, maturè interesto. Preces usitatas, ante & post sumptum cibum recitandas, nunquam intermittito. Successum, & benedictionem divinam ad omnia vitæ tuæ instituta frequenter implorato, omnesq; tuas cogitationes, omnia studia & actiones ad agnitionem & celebrationem Dei referro. Etenim *Pietas ad omnia utilis est, habens promissionem vitæ præsentis & futuræ.*

LEX II. DE REVERENTIA ET OBEDIENTIA ERGA SUPERIORES.

Postquam Deo Opt. Max. cultum pietatis & obedientiæ debitum præstitisti; proximè tibi ad Magistratum, Parentes, & Præceptores tuos deveniendum est. Hos enim Deus vices suas in terris gerere voluit, & per hos mundum hunc magnâ ex parte administrat. Quare de his omnibus honorificè sentito ; dignitatem eorum atque

atq; auctoritatem, neq; contumeliâ, neq; violentiâ ullâ attingito : in omnibus subjectionem atq; obedientiam debitam, sine morositate & contumaciâ, eis præstato : vocatus ab iis, quovis tempore, sine cunctatione, eos accedito : humani quid passis, ne obrectato : monitis & correctionibus ne obmurmurato : observantiam, amorem, gratitudinem, verbis, gestu, & factis erga eos semper declarato.

LEX III. DE DILIGENTIA IN DISCENDO.

Præceptoribus tuis eo nomine commendatus es, ut ipsorum ductu in Pietate, Doctrinâ liberali, & Morum cultu proficias. Manè itaq; quod tempus Studiis aptissimum est, ad discendum, dato signo, vel antè, surgito : ad Prælectiones audiendas, horâ constitutâ, maturè adesto : calamo, atramento, chartâ, & libris, quibus opus, semper instructus esto : Professori docenti, legenti, repetenti diligenter auscultato : ante dimissionem ne egreditor : nullius studia, & diligentiam susurris, vel aliâ quâvis ratione interturbato : lectiones auditas domi diligenter repetito, certissimè persuasus, sine Repetitione Lectionem non fore frugiferam : si quæ non es affectus, Commilitones, vel Professores ipsos, finitâ horâ de his interrogato. Stylum, qui optimus dicendi Magister est, in solutâ & ligatâ, tam Græcâ, quàm Latînâ Oratione assiduè exerceto. Musicâ te oblectare volens, intra privatos parietes id facito : horas studiis gravioribus aptas, eâ ne consumito : omneq; tempus tibi perire statuas, quod literis non impenderis. Alu-

ad tempus mensæ communis beneficio; Chori Sympho-
niaci membra, parte aliquâ collectæ pecuniæ privabun-
tur: habitatores Palatii, ut vocant, parùm diligentes in
frequentandis lectionibus, è dicto Palatio excludentur;
cæteri eidem culpæ obnoxii, ad Actûs publicos habên-
dos non admittentur, nec testimoniis, ad beneficia aut
munia necessariis, ornabuntur. Concionari, nisi veniâ
à Rectore impetratâ, omnibus interdictum esto. Ex
Gymnasio, antequam Specimina profectuum tuorum
publica edideris, temere ne discedito.

LEX IV.

DE MODESTIA.

Magnum decus & ornamentum in adolescente in-
genuo est Modestia, omnium Virtutum mater, *qua ma-
jorem quoq; ipsâ Doctrinâ meretur commendationem.* Huic
ergo semper & ubiq; diligenter studeto: per plateas
decenter & compositè ingreditor; ne vociferator, ne
tumultuator, ne circumcursato. Cristatus, calamistratus,
gladio accinctus, sine pallio, baculum vel simile quid,
ferocis instar Thrasonis, manu vibrans, ne incedito.
Interrogantibus placidè & modestè respondeto. Men-
sæ gestu composito asfideto. Indecori in eâ nihil ad-
mittito. Januas violenter nec pulsato, nec occludito:
per scamna Auditorii ne discurrito: probitate domi &
foris te omnibus commendato. Omnibus Honoratis,
Auctoritate, Meritis, Dignitate, Eruditione, Integritate,
Ætate, conspicuis, tam Civibus, quàm Peregrinis, debi-
tum honorem exhibeto: atq; ita te gerito, ut in omni-
bus actionibus tuis verecundia eluceat.

LEX V.
DE SOBRIETATE, TEMPERANTIA ET CASTITATE.

Ut Pietati, & liberali Doctrinæ vacare, & Mores honestè regere possis, necessaria quoq; inter alias virtutes est Temperantia. Quapropter cibo & potu nimio ne te ingurgitato; ad tabernas publicas, & loca parùm honesta, vel vulgò suspecta ne accedito. A vino, quod crematum vocant, fructibusq; immaturis, & aliis noxiis abstineto. Computationes nullas cum quoquam exerceto. Symposiis ne quidem Actuum publicorum prætextu Commilitones excipito. Prava Sodalitia, tanquam peccandi illecebras & pestes, fugito: eorum confortio implicatus, maturè te subtrahito. Castitati, & Sanctimonix, *sine quâ nemo Deum visurus est*, assiduè studeto. Spurcos sermones & cantilenas, gestûsque omnes lascivos & indecentes, ne usurpato. Corpus tuum, *Domicilium Spiritûs Sancti, & quod Sanguine suo pretioso Salvator tuus mercatus est*, libidinibus ne polluito. Sacrum hunc locum, Pietati dicatum, in quo SS. Trinitas & Angeli præsentés esse gaudent, ullâ profanitate, procacitate, obscœnitate, turpitudine ne inquinato.

LEX VI.
DE JUSTITIA.

Non Nobis tantum, sed Aliis quoq; nati sumus. Ita ergò tibi vivendum esse scias, ut non tantum Tibi prosis, sed ut Alteri etiam non noceas. Nullum itaque tuâ culpâ offendito; nullum minis terreto. Litigiis, odiis, provocationibus, pugnis ne certato: inimicitias nullas ferito: nullum spoliato: alterius habitaculum ne oppugna-
to:

to : fores & fenestras nusquam effringito : sedilia & men-
fas ne scindito : seras adulterinâ clave ne aperito : alie-
nis abstineto : inventa suis Dominis restituito, vel ad Su-
periores deportato. Pretium Institutionis Privatæ, ut
& pro Victu, itemq; Locarium statò tempore solvito.
Contractûs & permutationes rerum illicitas, omnino ne
exerceto; nec alios eis defraudato. Hortos nullius læ-
dito. Pilas nive conglobatas in neminem torqueto :
nulli impedimentum ullum, dum quæ sua sunt, facit,
obicito; nulli in universum noceto; damnum, si quod
dederis, præstato; semperq; ita vivito, *ut, quod tibi fieri
non vis, alteri ne feceris.*

LEX VII. DE VERITATE.

Peculiare quoque vitium est Juventutis, ut, si quâ in re
delinquant, mox effectis ingeniosè mendaciis, id palliare
fatagant. Quod si semel atque iterum res procedat, quid-
vis postea, spe fallendi Præceptores, admittere non eru-
bescunt; atque ita in omnia scelera, religioni & vitæ
communi officientia, & sibi ac aliis tandem exitiosa, pau-
latim prouunt. Ab his igitur initio statim diligenter
caveto: contrâ Veritati, quæ totius humanæ societatis
conservationi summè necessaria, semper & per omnia
studeto. Interrogatus de eâ, nec in alterius gratiam,
nec tuâ causâ eam occultato; nec reticentiâ tuâ alienis
peccatis communicato: si in mendacio deprehensus fue-
ris, severiori poenâ te afficiendum esse scito. Calumni-
is, mendaciis, obreſtationibus, falsis delationibus, con-
viciis, ficto agnomine, neminem gravato: famam & bo-
nam existimationem nullius proscindito; *nihilq; turpius,
nihil fœdus esse ducas mendaciis & calumniis, quæ propria
sunt opera Diaboli.*

LEX IIX. DE MUNDITIE.

Non parum etiam ad favorem Adolescentibus conciliandum facit mundities, quâ ab incultis & agrestibus homines ingenui discernuntur. Idcirco capillos pexos, faciem manûsque lotas, ungues resectos, vestes & calceos mundos habeto: stragula lecti, postquam surrexeris, composito: cubiculi purgamenta & quisquilias, & quicquid est sordium, per fenestras in hortos atque areas ne projicito, sed in locum destinatum deportato. Peristylia, & loca Gymnasii cætera ne conspurcato. Parietes, januas, mensas, scamna, cæsuris & picturis ne deformato. Ex urnâ publicâ faciem, vel manûs, vel quasunque res alias, ne lavato. In puteum lapides, cæmentata, sarmenta, atque alia ne dejicito, neu aquam ullâ ratione inquinato; tuâ ne petulantia omnium, qui in Gymnasio sunt, commodis, valetudini & saluti officias.

LEX IX. DE LUSU.

Quod caret alternâ requie, durabile non est, inquit Poeta. Ideo & nos aliquid laxamenti indulgendum arbitramur Gymnasium nostrum frequentantibus: ut ludo, & honestis corporis exercitamentis vacantes, à discendi laboribus interdum respirent; quò tantò deinde alacriores, honestis, atq; ingenuos juvenes non dedecentibus relaxationibus recreati, ad Studiorum culturam revertantur. In ludendo autem Modestæ fines ne excedito: à rixis, dolis, tumultuatione, injuriis caveto: pecuniam, & res quasunque alias, ne deponito; sed solâ victoriæ gloria contentus esto. Ab aleâ, & chartarum ludo prorsum abstineto: siquidem illud non tantum Legibus interdictum

terdictum, sed & Juventuti, ad otium, rixas, ingluviem,
& id genus vitia, pronæ, plurimum perniciosum esse
solet.

LEX X.
DE PRÆCAVENDIS ET EVI-
TANDIS PERICULIS.

Inter alia mala & incommoda hoc etiam peculia-
re est ætati juvenili, ut improvida sit, & temere in di-
scrimina se præcipitet. Omnia ergo, quæ tibi aliquod
possunt creare periculum, cautè devitato. In flumini-
bus & lacubus prorsus ne lavato. Per glaciem calopo-
diis, vel simili modo ne vehitor. Arma, quibus vitæ al-
terius nocere possis, ut sunt pugiones, sclopetæ, & hujus
generis alia, in Palatio ne habeto; neque ex clavibus,
vel cannis æreis aut ferreis tale quid efformato; multò
minùs ea displodito. Ad spectacula atque alia ludicra,
cum neglectu Studiorum ne accedito. Pugnantibus,
ebriis, rixosis ne assistito, nec te illis immisceto. Per
gradus, quibus ad Conclavia superiora adscenditur, præ-
cipitanter ne decurrito: contignationes superiores ne
petito; multò minùs per trabes transversas incedito. Se-
pem ligneam, quæ Gymnasii limites à vicinis locis diri-
mit, vel ullum parietem ne transcendito. In Gymnasio
post horam quintam vespertinam hypocaustum ne cale-
facito: nec ignem in fornace continuè fovero. In Cubi-
culis, aut alibi, intra Gymnasii septa, candelas ardentem,
sine laternis ex laminis ferreis, vel alioquin tutis & ido-
neis, ne gerito; easque, petiturus lectum, justo tempore
statim exstinguito, nec, sub metu poenæ severissimæ, ite-
rum accendito: ac *semper, non arcessenda, sed ultro etiam
venientia tibi cavenda esse pericula, memento.*

LEX XI.
DE HABITANTIBUS AC PER-
NOCTANTIBUS IN GYMNASIO.

Verè dictum est : *Vitare peccata esse, vitare occasiones peccatorum.* Quamobrem ut & nos aliquo eas modo præscindamus, Nostrorumq; Studia & instituta magis explorata habeamus: nemo eorum¹, qui apud nos habitant & pernoctant, sine veniâ Rectoris, & Inspectoris, vel alterius Professoris, portâ Gymnasii clausâ, egreditor; nemo sine eorundem consensu foris temere pernoctato: minime omnium noctu per urbem cum gladiis & clamoribus discursato. Venientes ad te alios, pernoctandi apud te gratiâ, ne recipito, neu in Cubiculo tuo clam foveto; multò minùs Sartores, Sutores, & similes opifices sustentato. Alios, nugandi, & ineptiendi, vel turbandi causâ, post cœnam ne accedito. Musicam verò decenter exercere, atq; inprimis Lectiones invicem repetere, liberum esto. Câmeras & Musea nemo alteti divendito: cùm enim sint publici juris, privatum possessorem non agnoscunt. Ligna in Palatio, tuâve camerâ ne secato. Pavimentum exercitiis gladiatoriiis, modisq; aliis ne corrumpito. Clavium etiam abusum cùm prudens quisque metuere debeat: utique clavem januarum Gymnasii publicam vel universalem nemo habeto. Beneficiarii, & Alumni Magnifici Senatûs, Nobilissimorumq; Scabinorum, & cæteri, Leges etiam Oeconomicas, sanctissimè semper observanto. Nihil quoq; absque consensu Rectoris & Inspectoris in habitatione tuâ demolitor, nihil perdito; sed facta, tecta atque integra, ut tibi tradita sunt, servato omnia.

LEX XII.
DE NOVITIIS, PEREGRINIS,
ET PÆDAGOGIS.

Novitius ad nos veniens, & Gymnafii nostri membrum esse cupiens, Nomen tuum Rectori significato, teq; ab eo in numerum Scholasticorum recipi petito; censuræ, judicio & examini te submittit; nec Lectiones ullius Professoris priusadito, quàm Rectori nomen professus, & reverentiam ac obsequium Legibus præstandum pollicitus fueris. Testimonium quoque Vitæ & Morum à Præceptoribus tuis, vel viris aliis gravibus & eruditis, tecum asserto, & apud Rectorem deponito; nec, nisi ab eodem etiam novo instructus, discedito. Pædagogiam apud Cives honestos nactus, in officio tuo fidelis esto: discipulis pietate & bonis moribus præluceto; iisq; te & Hero tuo, & Professoribus commendato. Discipulorum operâ in afferendâ aquâ vel cerevisiâ, portandis lignis, calefaciendis & purgandis Museis, præferendâ face, sternendis lectis, & similibus ministeriis, ne abutitor. Discessurus valedicito; gratiamq; pro beneficiis habero, & si factis nequeas, verbis declarato. Antequam verò valedixeris, semper te Gymnasii Legibus obnoxium manere scito. Cæterùm nemo Pædagogorum Discipulos publicis Clasibus subtrahito, intra privatos tantum parietes eos instituturus.

POENA TRANSGRESSORUM.

Cùm autem inutiles omninò sint Leges sine Executione; & nervus totius sit Disciplinæ, ut inobedientes & contumaces debitâ animadversione coërceantur: ne quâ in re nostro defimus officio, in omnes, qui Doctrinæ & Disciplinæ nostræ commendati, has Leges nostras,
Magni-

Magnifici, Nobilissimi, Spectatissimiq; Collegii Scholar-
chalis auctoritate confirmatas, petulanter vel superbe
contempserint, ac violaverint, iustâ severitate animadver-
temus, & pro delicti & circumstantiarû magnitudine ac
ratione, vel monitis & severâ objurgatione corripiemus,
aut Carcere, aliisq; pœnis Scholasticis afficiemus: vel si
enorme sit delictum, & Gymnasio nostro contumelio-
sum, ex honestissimâ Societate cœtus nostri Scholastici,
præviâ auctoritate & consensu Laudatissimorum DDn.
Scholarcharum, prorsûs ejiciemus. Otiosos quoq; &
vagabundos, quiq; ut pecus scabie infectum, improbi-
tate & malitiâ suâ alios corrumpere solent, & corrumpi
seduciq; se sinunt, Patronis Honoratissimis indicabimus,
qui patrociniû nostrum & Legum nostrarum benevolè
fusiipient. Si quis tamen ex illis, hominum animad-
versionem effugerit, eum iusto Dei judicio, contemptum
Legum & Disciplinæ severissimè suo tempore viadica-
turo, relinquemus. Quapropter ut his Legibus nostris,
& propter Dei mandatum, & conscientiæ vestræ integri-
tatem, & quia hoc Vobis etiam utile est, ultrò & spontè
pareatis, vos iterum iterumq; omnes & singulos cohor-
tamur.

POLLICITATIO.

Ego N. sanctissimè promitto, me, auxiliante Deo,
Leges hujus Gymnasii servaturum; Dominis Scholar-
chis, Rectori, Inspectori, & cæteris Professoribus in
omnibus spontè obtemperaturum; in studiis diligentiam,
fidem, & assiduitatem præstiturum; si Leges (quod ab-
sit!) violavero, pœnas irrogatas sine tergiversatione pa-
tienter subiturum; nec quicquam eorum omissurum es-
se, quæ ad officium fidelium, & gratorum Disci-
pulorum pertinere intellexero.
